

# Lips Don't Lie (feat. A Boogie wit da Hoodie)

## Ally Brooke

Yeah, yeah  
Uh, I hope your lips don't lie You're a fighter, I'm the fire  
Make you fall in love in a minute  
You're a leaver, I believe ya  
Told me that you don't do commitment You say it's not real  
But you're really close  
Don't know how you feel  
But baby, I know you know how it's supposed to be  
One hit (one hit), you're mine (you're mine)  
I can tell your lips don't lie  
When you kiss it right back (right back), oh my! (uh)  
I can tell your lips don't lie  
Lips don't la-la-la-la-la-la-la-lie-lie  
La-la-la-la-la-la-la-lie-lie  
(Lips don't) la-la-la-la-la-la-la-lie-lie  
I can tell your lips don't lie You're quick (you're quick), I do it slow (so slow)  
But then I let you drive past the limit  
It's difficult, I know (I know)  
But I make you come fast in a minute Met you at 12, dancing 'till one  
Got at least two, but we're not drunk  
So I know it's real  
And baby I know you know how it's supposed to be  
One hit (one hit), you're mine (you're mine)  
I can tell your lips don't lie  
When you kiss it right back (right back), oh my! (uh)  
I can tell your lips don't lie  
Lips don't la-la-la-la-la-la-la-lie-lie (Lips don't lie)  
La-la-la-la-la-la-la-lie-lie (Boy, your lips don't)  
La-la-la-la-la-la-la-lie-lie (Boy, your lips don't)  
I can tell your lips don't lie  
Boy, your lips don't la-la-la-la-la-la-la-lie-lie  
La-la-la-la-la-la-la-lie-lie  
La-la-la-la-la-la-la-lie-lie  
I can tell your lips don't lie I treated you like a friend, so you feel comfortable  
I treated you like a 10 and now I'm a dog to you  
Told me your secrets, your secrets with me are fine though  
Wanna make your business my business, don't tell me lies though  
And shit was fucked up when you found me, my heart was so cold  
I was up, left you down, just like a yoyo  
I was fucking around, hard to control though  
Oh yeah, mm, I left you solo One hit (one hit), you're mine (you're mine)  
I can tell your lips don't lie

When you kiss it right back, babe (right back), oh my!  
I can tell your lips don't lie  
Lips don't la-la-la-la-la-la-la-la-lie-lie (Boy, your lips don't lie)  
La-la-la-la-la-la-la-la-lie-lie (Boy, your lips don't)  
La-la-la-la-la-la-la-la-lie-lie (Boy, your lips don't)  
I can tell your lips don't lie (Boy, your lips don't lie)  
La-la-la-la-la-la-la-la-lie-lie  
La-la-la-la-la-la-la-la-lie-lie  
La-la-la-la-la-la-la-la-lie-lie (no-no-no-no-no, they don't lie)  
I can tell your lips don't lie
