## One

## **Apocalyptica**

Is it getting better Or do you feel the same Will it make it easier on you Now you got someone to blameYou say One love One life When it's one need In the night It's one love We get to share it It leaves you baby If you don't care for it Did I disappoint you? Or leave a bad taste in your mouth? You act like you never had love And you want me to go without Well it's too late **Tonight** To drag tha past out Into the light We're one But we're not the same We get to carry each other Carry each other Have you come here for forgiveness

Have you come tor raise the dead Have you come here to play Jesus To the lepers in your head Did I ask too much More than a lot You gave me nothing Now it's all I got We're one But we're not the same We hurt each other Then we do it againYou say Love is a temple Love a higher law Love is a temple Love the higher law You ask me to enter

But then you make me crawl And I can't be holding on To what you got When all you got is hurtOne love One blood

One life

You got to do what you should

One life

With each other

Sisters

Brothers

One life

But we're not the same

We get to carry each other

Carry each otherOne
