## **Full Swing (feat. Pell)**

## AlunaGeorge

Droppin' all that dead weight Light the candle in my head Droppin' all that bad vibe Tearin' up my new frontier Brushin' up my big rightReady for anything So let me hear the bell ring, light it upGot my body in full swing And my mind like a machine, light it up Got my body in full swing And my mind like a machine, light it up Light it up now, light it up Got my mind like a machine, light it up Light it up now, light it up And my body in full swing, light it up Hold up for your count Let go for the dance Touch me like that Fendi Let's get lost inside a trance Step into my office First lesson on me Show a few moves that you just can't teach Give you new highs that you just can't reach So intense that you just can't speak I've been a gentleman I've been a gentleman, Black New Orleans But we only get it started, don't take that scene Woah, full swing like you on my tempo Slow dance, let your feelings tip-toe Starin' at your eyes, whole crystal And you lookin' like Day, no French though Old man teabaggin', no Cliff Notes But you read through it, now we this close No words 'cause our bodies are this close Goin' full swing 'til it get old Ready for anything So let me hear the bell ring, light it upGot my body in full swing And my mind like a machine, light it up Got my body in full swing And my mind like a machine, light it up Light it up now, light it up Got my mind like a machine, light it up Light it up now, light it up And my body in full swing, light it upI, I, I, I

You're on my mind, bae you're comin' home And I, I, I, I Light up my life, when you're comin' home I'm alive for you, I get high for you I'm alive for you, ooh, ooh-ooh I'm alive for you, I stay high for you I'm alive for you, ooh, ooh-oohGot my body in full swing And my mind like a machine, light it up Got my body in full swing And my mind like a machine, light it up Light it up now, light it up Got my mind like a machine, light it up Light it up now, light it up And my body in full swing, light it upGot my body in full swing And my mind like a machine, light it up Light it up now, light it up And my body in full swing, light it up Song Discussions is protected by U.S. Patent 9401941.
