

# Doing to Me

[Astrid S](#)

Get my hopes up  
Too high  
I let my guard down Like you're mine  
Just get it over with  
Let me go  
When you're about to say it  
That's when you don't  
Ooh I'd rather have a little than nothing You got me hanging on the line  
But you won't set me free  
Never close enough to touch  
But baby I love what you're doing to me  
What you're doing to me  
We haven't talked since  
You said you need time  
But do you ever think  
What that feels like  
I wish you wanted me  
As much as I want you  
I'd take a bullet burn the bridges  
And all the things you'd never do  
Ooh still I'd have a little than nothing You got me hanging on the line  
But you won't set me free  
Never close enough to touch  
But baby I love what you're doing to me  
Sometimes you pick me up  
Sometimes you leave me weak  
But I'll take what I can get  
'Cause baby I love what you're doing to me  
What you're doing to me ooh  
What you're doing to me ooh They say it's time to give you up  
It's time for me to leave  
But I'll never get enough  
'Cause baby I love what you're doing to me You got me hanging on the line  
But you won't set me free  
Never close enough to touch  
But baby I love what you're doing to me Sometimes you pick me up  
Sometimes you leave me weak  
But I'd take what I can get  
'Cause baby I love what you're doing to me  
What you're doing to me
