## Lily Allen

I work at home in my parent's basement  
I don't troll, I make statements  
I'm not a cliché sittin' in my PJ's  
Double cupping at lunch on a Tuesday  
I'm like Drake, see? So don't hate me!  
I get vexed if you don't appreciate me  
Real talk, I'll put the world to rights  
And when I'm a big boy I'm gonna write for ViceIt's not for me? It must be wrong  
I could ignore it and move on  
But I'm a Broadband Champion  
And if you're tryna call it art  
I'll have to take it all apart  
I got a high-brow game plan  
I'm a U-R-L B-A-D M-A-N with no empathy  
I got a high-brow game plan  
I'm a U-R-L B-A-D M-A-N and you're dead to me  
'Cause I'm a Broadband ChampionSpectacles with no prescription  
Short-shorts with conviction  
Supreme, Palace, APC  
Sizzurp in a chalice, yeah, that's so me  
I'm a London white boy repping ATL  
Keyboard Warrior that can't spell  
I don't like you, I think you're worthless  
I wrote a long piece about it up on my WordPressIt's not for me? It must be wrong  
I could ignore it and move on  
But I'm a Broadband Champion  
And if you're tryna call it art  
I'll have to take it all apart  
I got a high-brow game plan  
I'm a U-R-L B-A-D M-A-N with no empathy  
I got a high-brow game plan  
I'm a U-R-L B-A-D M-A-N and you're dead to me  
'Cause I'm a Broadband ChampionI like Jordans, Jay Rich, DJ Scream shit  
Complex, Pitchfork, Winnie The Pooh shit  
I'm a space ghost perpetrator  
Bottom half of Idolator  
Check for Tyler the Creator  
A\$AP, Kanye, XX remix  
Mike Jones, Paul Wall, I need a Kleenex  
I don't like girls much, they kinda silly  
Unless of course they wanna play with my willyI'm a U-R-L B-A-D M-A-N with no empathy  
I got a high-brow game plan

I'm a U-R-L B-A-D M-A-N and you're dead to me  
'Cause I'm a Broadband ChampionI got a high-brow game plan
