

Who's Behind the Door

Zebra

We sailed away
We walked 2 thousand miles
and then we slipped away
We looked so hard
But couldn't seem to find just what
the world was for
Now we know
Just what the journey's for
Looking out to the stars
Think about what you are
What do they think of you
Animals in their zoo
They haven't got the time
Landing's not on their minds
How do they have the nerve
We're animals in preserve They watch us all
They're only making sure that we
don't trip and fall
Now they look so hard
But they can't tell us why they're
here and just what for
Because they don't know
Who opened up the door
How can we find out more
Who owns the keyless door
Where does the circle end
Who are the unwatched men
Where do we go from here
Faith is a fading fear
Life is a waiting room
I hope they don't call me soon How much more do you really
think you know than a flower
does about who's behind the door!
