

# A Baby's Born

James Ingram

Winter never seemed so cold  
You've grown old  
And time has slipped away Yesterday was just a dream  
Faded schemes  
Now turned silver grey  
As old friends pass away  
And yet a baby's born Life is but a grain of sand, washed away  
Beneath the morning tide  
Precious hours grow too few  
Somehow you must try to justify  
The aging of your mind and yet a baby's born  
Newborn baby, don't you cry no more  
Shed no tears for a passing soul  
Newborn baby, don't you cry no more  
Shed no tears for a passing soul  
Yesterday was just a dream  
Faded schemes  
Now turned silver grey  
As old friends pass away  
And yet a baby's born
