

Around the World (Topher Jones Remix)

ARTY

The kisses of the sun
Were sweet I didn't blink
I let it in my eyes
Like an exotic dream The radio playing songs
That I have never heard
I don't know what to say
Oh, not another word Just la la la la la
It goes around the world
Just la la la la la
It's all around the world Just la la la la la
And everybody's singing
La la la la la
And now the bells are ringing
La la la la la
La la la la la la la
La la la la la
La la la la la la la la la la
La la la la la
La la la la la la la la la la Inside an empty room
My inspiration flows
Now wait to hear the tune
Around my head it goes The magic melody
You want to sing with me
Just la la la la la
The music is the key
And now the night is gone
Still it goes on and on
So deep inside of me
I long to set it free I don't know what to do
Just can't explain to you
I don't know what to say
Oh, not another word Just la la la la la
It goes around the world
Just la la la la la
It's all around the world Just la la la la la
And everybody's singing
La la la la la
And now the bells are ringing La la la la la
La la la la la la la
La la la la la
La la la la la la la la la la

La la la la la la la
La la la la la
La la la la la la la The kisses of the sun
Around La la la la la
It goes around the world
Just la la la la la
It's all around the world Just la la la la la
And everybody's singing
La la la la la
And now the bells are ringing La la la la la
La la la la la la la
La la la la la
La la la la la la la La la la la la
La la la la la la la
La la la la la
La la la la la la la La la la la la
(Around, around, around the world)
La la la la la la la
La la la la la
La la la la la la la La la la la la
La la la la la la la
La la la la la
La la la la la la la
