

You Asked Me To

Billy Joe Shaver

Long ago and far away
In my old common labour shoes
I turned the world all which-a-way
Just because you asked me to Likened to no other feel'
Summer love is simple true
There's no end to what I'd do
Just because you asked me to Let the world call me a fool
But if things are right with me and you
That's all that matters and I'll do
Anything you ask me to
Knowin' how much I love you
After all I've been through
I'd turn and walk away from you
Just because you asked me to Let the world call me a fool
But if things are right with me and you
That's all that matters and I'll do
Anything you ask me to
Let the world call me a fool
But if things are right with me and you
That's all that matters and I'll do
Anything you ask me to
