

Days Are Forgotten

Kasabian

Aaaahh
Aaaahahahaha
Aaaahh
AaaahahahahaHey son
I'm looking forward
You're leaning backwards
Of this I'm sureHave you had enough?
Are you feeling rough?
Does your skull hurt?
Well if it's war
Cos I am taking back what's mine
I am taking back the time
You may call it suicide
But I'm being born again
I'm waitingAaaahh
I'm waiting
Aaaahahahaha
Right here now
Aaaahh
I'm waiting
For someone
Or something
To take me
To take me over
Days
Days are forgotten
Now it's all over
Simply forgotten
How to disappearHome bred
I've got blood lust
Feeding you bread crust
I leave no scarYou say I'm old hat
A fucking dirty rat
Call me a cliché
How right you areCos I am flipping bag of bones
I am righting all your wrongs
You may call it suicide
But I'm being born again
I'm waitingAaaahh
I'm waiting
Aaaahahahaha
Right here now

Aaaahh
I'm waiting
For someone
Or something
To take me
To take me over
Days are forgotten
Now it's all over
Simply forgotten
How to disappear
Days are forgotten
Now it's all over
Simply forgotten
How to disappear
I saw something
I get on the dark
It's the
You was at home
Chewing on monkey brains
I am out her
I'm just a silhouette
You will never
Never ever forget
Days are forgotten
Now it's all over
Simply forgotten
How to disappear
Days are forgotten
Now it's all over
Simply forgotten
How to disappear
I saw something
I get on the dark
It's the
You was at home
Chewing on monkey brains
