

When I Get There

[Kirk Franklin](#)

The sun will shine, my heart shall sing
One thought of You Jesus, what joy it brings
My soul can't wait to see Your face
And I'll bless Your name Jesus, when we get there You'll wipe my tears, You'll say well done
You'll hold me close and tell me I've overcome
And You will exchange joy for my pain
And I'll bless Your name Jesus, when we get there Come on let's go, we'll cry no more
We're gonna be just like Jesus, when we get there
Come on let's go, hold on, it won't be long
We're gonna be just like Jesus, when we get there The sun will shine, my heart shall sing
One thought of You Jesus, what joy it brings
My soul can't wait to see Your face
And I'll bless Your name Jesus, when we get there
You'll wipe my tears, You'll say well done
You'll hold me close and tell me I've overcome
And You will exchange joy for my pain
And I'll bless Your name Jesus, when we get there Come on let's go, we'll cry no more
We're gonna be just like Jesus, when we get there
Come on let's go, hold on, it won't be long
We're gonna be just like Jesus, when we get there No more feeling alone, when all my fear is all
gone
You tell me it won't be long, when You call my name
We shall be changed, come on Come on let's go, we'll cry no more
We're gonna be just like Jesus, when we get there
Come on let's go, hold on, it won't be long
We're gonna be just like Jesus, when we get there
Come on let's go, we'll cry no more
We're gonna be just like Jesus, when we get there
Come on let's go, hold on, it won't be long
We're gonna be just like Jesus, when we get there Come on let's go, we'll cry no more
We're gonna be just like Jesus, when we get there
Come on let's go, hold on, it won't be long
We're gonna be just like Jesus, when we get there
