

# Back Here

**BBMAK**

Baby set me free from this misery  
I can't take it no more  
Since you ran away nothing's been the same  
Don't know what I'm living for Here I am so alone  
And there's nothing in this world I can do Until you're back here, baby  
Miss you, want you, need you so  
Until you're back here, baby, yeah There's a feeling inside  
I want you to know  
You are the one  
And I can't let you go  
So I told you lies even made you cry  
Baby I was so wrong  
Girl, I promise you now my love is true  
This is where my heart belongs 'Cause here I am so alone  
And there's nothing in this world I can do Until you're back here, baby  
Miss you, want you, need you so  
Until you're back here, baby, yeah There's a feeling inside  
I want you to know  
You are the one  
And I can't let you go And I wonder  
Are you thinking of me 'cause I'm thinking of you  
And I wonder  
Are you ever coming back in my life  
'Cause here I am so alone  
And there's nothing in this world I can do Until you're back here, baby  
Miss you, want you, need you so  
Until you're back here, baby, yeah There's a feeling inside  
I want you to know  
You are the one  
And I can't Until you're back here, baby  
Until you're back here, baby  
Until you're back here, baby There's a feeling inside  
I want you to know  
You are the one  
And I can't Until you're back here, baby  
Until you're back here, baby  
Until you're back here, baby
