

Up All Night (feat. Fiora) [Skytech Remix]

R3HAB, MOTi & Skytech

Don't keep me waiting
'Til the morning light
Behind your best disguise, we'll be loving plain sight
So forget your cover
We can do this right
I'm up, I'm up, I'm up all night
Don't keep me waiting
'Til the morning light
Behind your best disguise, we'll be loving plain sight
So forget your cover
We can do this right
I'm up, I'm up, I'm up all night
I'm up, I'm up, I'm up, I'm up
I'm up, I'm up, I'm up, I'm up
I'm up, I'm up, I'm up, I'm up
I'm up all night
I'm up, I'm up
I'm up, I'm up
I'm up all night (bring it down)
Don't keep me waiting
'Til the morning light
Behind your best disguise
We'll be loving plain sight
So forget your cover
We can do this right
I'm up, I'm up
I'm up all night
Don't keep me waiting
'Til the morning light
Behind your best disguise
We'll be loving plain sight
So forget your cover
We can do this right
I'm up, I'm up
I'm up all night
I'm up, I'm up, I'm up, I'm up
I'm up, I'm up, I'm up, I'm up
I'm up, I'm up, I'm up, I'm up
I'm up all night
I'm up, I'm up
I'm up all night (bring it down)
