

I Can't Lose (feat. 24hrs)

Lecrae & Zaytoven

I can't lose, and all my blessings coming by the two
Ooh, ooh, ooh
I can't lose, and all my blessings coming by the two
Yeah, yeah, yeah
Ain't no hate, gotta catch me on a whole nother date
Yeah, yeah, yeah
Ain't no hate, you gotta catch me on a whole nother day
Yeah, yeah, yeah, yeah I can't lose, feel like all my blessings coming by the two
Two for me, two for you
Double cup had to double up the juice
I don't do lean, all I do is rock
Catch me in the spot
Double shift work around the clock
Make the music hot
Make it work, I know she a flirt
I ain't got the time, mess up, for a little cut
Know I'm on the dime
I got a house to keep
I got these mouths to feed
I been working through the winter
I'ma show off for spring
I'm finna tear up the summer
Hit the beach in the bahamas
Blessing be coming in twos
But only one little momma yeah
I can't lose, and all my blessings coming by the two
Ooh, ooh, ooh
I can't lose, and all my blessings coming by the two
Yeah, yeah, yeah
Ain't no hate, gotta catch me on a whole nother date
Yeah, yeah, yeah
Ain't no hate, you gotta catch me on a whole nother day
Yeah, yeah, yeah, yeah Look, I ain't worried bout no hater
I ain't worried bout a hater
I tell em do me a favor
Keep it up you motivate us
Pull up on me
Yeah they warned me
No smoke, I ain't worried bout it
They can't harm me
No joke, I'm protected I'm too blessed
Interessed look around and reassess

Your best interest ain't detested
No no I don't do lean, all I do is rock
In a spot, work around the clock, make the music hot
Can't lose, cup be running over blessing by the two's
Two for me and two for you
Twenty to tell you how we do, ooh I can't lose, and all my blessings coming by the two
Ooh, ooh, ooh
I can't lose, and all my blessings coming by the two
Yeah, yeah, yeah
Ain't no hate, gotta catch me on a whole nother date

Ain't no hate, you gotta catch me on a whole nother day
Yeah, yeah, yeah, yeah We don't care bout none these haters
We don't care bout none these haters
We don't care bout none these haters
We don't care bout none these haters I can't lose, and all my blessings comin by the two
