

Lateralus

TOOL

Black then white are all I see
In my infancy
Red and yellow then came to be
Reaching out to me
Lets me see.
As below, so above and beyond, I imagine
Drawn beyond the lines of reason.
Push the envelope.
Watch it bend.
Over thinking
Over analyzing
Separates the body from the mind.
Withering my intuition
Missing opportunities and I must
Feed my will to feel my moment
Drawing way outside the lines.
Black then white are all I see
In my infancy.
Red and yellow then came to be
Reaching out to me
Lets me see.
There is so much more and
Beckons me to look through to these
Infinite possibilities.
As below, so above and beyond, I imagine
Drawn outside the lines of reason.
Push the envelope.
Watch it bend.
Over thinking
Over analyzing
Separates the body from the mind.
Withering my intuition
Leaving opportunities behind.
Feed my will to feel this moment
Urging me to cross the line.
Reaching out to embrace the random.
Reaching out to embrace whatever may come.
I embrace my
Desire to
I embrace my
Desire to
Feel the rhythm

To feel connected
Enough to step aside
And weep like a widow
To feel inspired
To fathom the power
To witness the beauty
To bathe in the fountain
To swing on the spiral
To swing on the spiral

To...

Swing on the spiral of our divinity and
Still be a human.

With my feet upon the ground
I lose myself between the sounds
And open wide to suck it in
I feel it move across my skin
I'm reaching up and reaching out
I'm reaching for the random or
What ever will be wilder me
What ever will be wilder me
And following our will and wind
We may just go where no one's been
We'll ride the spiral to the end
And may just go where no one's been

Spiral out

Keep going

Spiral out

Keep going

Spiral out

Keep going

Spiral out

Keep going
