

# Prince

## Vanessa Carlton

Willing and able to run  
I am willing and able  
I'm able to come I am willing and able to run  
I am willing and able  
I'm able to come And if I wait for you now  
Would you come, would you run?  
Would you bring it back around?  
Oh, baby how And if I wait for you now  
Would you come, would you run?  
Would you bring it back around?  
Oh, baby how  
Willing and able to run  
I am willing and able  
I'm able to come If it all went away, nothin' left to say  
Oh, and you fight it all when you lay down  
At the hand of your God, oh, could you see the light  
Oh, my prince can't you see what's been found? Willing and able to run  
Willing and able to come  
Willing and able to run  
I'm willing, I am willing, willing, willing Willing and able to run  
I am willing and able  
I'm able to come I am willing and able to run  
I am willing and able  
I'm able to come  
And if I wait for you now  
Would you come, would you run?  
Would you bring it back around?  
Don't, baby how If I wait for you now  
Would you come, would you run?  
Would you bring it back around?  
No, baby how Willing and able to run  
I am willing and able  
I'm able to come I am willing and able to run  
I am willing and able  
I'm able to come
