What Would Happen

Meredith Brooks

Electricity
eye to eye
Hey do I know you?
I can't speak
Stripped my senses
on the spot

on the spot

I've never been defenseless

I can't even make sense of this

You speak and I don't hear a wordWhat would happen if we kissed?

Would your tongue slip past my lips?

Would you run away?

Would you stay?

Or would I melt into you?

Mouth to mouth

lust to lust

Spontaneously combust

Room is spinning

out of control

You act like you didn't notice

You brushed my hand

Forbidden fruit

ring on my finger

Your such a moral, moral man

Would you throw it away?-- A question

Will I pretend I'm innocent? What would happen if we kissed?

Would your tongue slip past my lips?

Would you run away?

Would you stay?

Or would I melt into you?

Mouth to mouth

lust to lust

Spontaneously combust...

What would happen if we kissed?

Ah...I struggle with myself again

Quickly the walls are crumblin'

Don't know if I can turn awayWhat would happen if we kissed?

Would your tongue slip past my lips?

Would you run away?

Would you stay?

Or would I melt into you?

Mouth to mouth

If we kissed...

Would your tongue slip past my lips?
Would you run away?
Would you stay?
Or would I melt into you?
Mouth to mouth
If we kissed... oooooooo ahhhhh
If we kissed... ooooooo ohhhhh
ooooo ahhhh (etc-- fade out)
