

Messy

Coi Leray

Oh, no
Just one those days, no-no
Just one of those days
Just one of those days, oh no, oh-oh
It's just one of those days (Yeah) Don't know why (Why)
Why you gotta always waste time? (Time)
All the back and forth, just get depressin' ('Pressin')
You want attention but you need to learn your lesson (Lesson)
Yeah, we can never see eye to eye (Eye)
It seems that we both goin' blind (Blind, blind)
Yeah, I don't wanna wake up, no more stressin' (Stressin')
Yeah, I swear baby, you so fuckin' messy
Messy, messy, messy, messy
Sick and tired, boy, you need to clean mess up (Clean your mess up)
Every time you come around, you always act up (Always act up)
Baby, I don't get it, why you so
Messy, messy, messy, messy
Yeah, I ain't dealin' with your bullshit, no more
Yeah, I ain't dealin' with your bullshit, no more
Yeah, you always wildin', I swear, baby, you're just too messy I ain't fuckin' with no lame nigga
(Lame)
I'm a bad bitch, on my way to the bank (Bank)
And my windows tinted, do a hundred in this Range (Range)
Hangin' out the window, yellin' money ain't a thing (Thing)
See you always with your mans, baby, tell me is you gay? (Tell me is you gay?)
Yeah, don't like the way you're moving, boy, that shit be in the way
You always lie to me, boy, you really need to stop tryin' me
Clean out your closet 'cause this shit is getting too messy (Yeah)
Don't know why (Why)
Why you gotta always waste time? (Time)
All the back and forth, just depressin' ('Pressin')
You want attention but you need to learn your lesson (Lesson)
Yeah, we can never see eye to eye (Eye)
It seems that we both goin' blind (Blind, blind)
Yeah, I don't wanna wake up, no more stressin' (Stressin')
Yeah, I swear baby, you so fuckin' messy Messy, messy, messy, messy
Sick and tired, boy, you need to clean mess up (Clean your mess up)
Every time you come around, you always act up (Always act up)
Baby, I don't get it, why you so
Messy, messy, messy, messy
Yeah, I ain't dealin' with your bullshit, no more
Yeah, I ain't dealin' with your bullshit, no more
