

I Can Make You Feel Like

Maxx

I can make you feel like
I can make you feel like
Like I want you to
I can make you feel like
I can make you feel like
I'll hop on you (?)
On to, turning to Like I wanna do
Like I want you to
Like I wanna do
Like I want you to
I can make you feel like
I can make you feel like
Like I want you to
I can make you feel like
I can make you feel like
I'll hop on you up
On to, turning to
Like I wanna do
(Oh oh oh oh)
Like I want you to
(Oh oh oh oh)
Like I wanna do
(Oh oh oh oh)
Like I want you to
(Oh oh oh oh)
