

Mirror Mirror

Diamond Rio

(Bob DiPiero/John Jarrard/Mark D. Sanders) Mirror, Mirror, on my wall,
Tell me, who is the loneliest fool of them all
No, wait a minute, I believe I see
The answer's staring back at me Spent most of the morning laying in bed
Lunch was a black coffee and three cigarettes
They say it will kill me, but I've got a hunch
That this broken heart's gonna beat 'em to the punch
Mirror, Mirror, on my wall,
Tell me, who is the loneliest fool of them all
No, wait a minute, I believe I see
The answer's staring back at me Yes, I'm the one who swore she would stay
Right up to the moment the U-Haul drove away
She didn't leave a table; she didn't leave a chair
But she knew what she was doing
When she left you hanging there
Aw, Mirror, Mirror, on my wall,
Tell me, who is the loneliest fool of all
No, wait a minute, I believe I see
The answer's staring back at me No, wait a minute, I believe I see
The answer's staring back at me...
