

# Mirror Mirror

## Diamond Rio

(Bob DiPiero/John Jarrard/Mark D. Sanders)Mirror, Mirror, on my wall,  
Tell me, who is the loneliest fool of them all  
No, wait a minute, I believe I see  
The answer's staring back at meSpent most of the morning laying in bed  
Lunch was a black coffee and three cigarettes  
They say it will kill me, but I've got a hunch  
That this broken heart's gonna beat 'em to the punch  
Mirror, Mirror, on my wall,  
Tell me, who is the loneliest fool of them all  
No, wait a minute, I believe I see  
The answer's staring back at meYes, I'm the one who swore she would stay  
Right up to the moment the U-Haul drove away  
She didn't leave a table; she didn't leave a chair  
But she knew what she was doing  
When she left you hanging there  
Aw, Mirror, Mirror, on my wall,  
Tell me, who is the loneliest fool of all  
No, wait a minute, I believe I see  
The answer's staring back at meNo, wait a minute, I believe I see  
The answer's staring back at me...
