

The Logical Song

Supertramp

When I was young
It seemed that life was so wonderful
A miracle Oh, it was beautiful, magical And all the birds in the trees
Well, they'd be singing so happily
Oh, joyfully
Oh, playfully watching me But then they sent me away
To teach me how to be sensible
Logical
Oh, responsible, practical And then they showed me a world
Where I could be so dependable
Oh, clinical
Oh, intellectual, cynical
There are times when all the world's asleep
The questions run too deep
For such a simple man
Won't you please, please tell me what we've learned?
I know it sounds absurd
Please tell me who I am I say, now watch what you say
Or they'll be calling you a radical
A liberal
Oh, fanatical, criminal Oh, won't you sign up your name?
We'd like to feel you're acceptable
Respectable
Oh, presentable, a vegetable
Whoa
Take it, take it, take it, yeah
But at night when all the world's asleep
The questions run so deep
For such a simple man
Won't you please ()
Please tell me what we've learned? ()
I know it sounds absurd ()
But please tell me who I am
Who I am
Who I am
Who I am, yeah Woo!
Hey!
'Cause I'm feeling so logical
Hey!
D-d-d-d-d-d-d-digital
Yeah, one, two, three, five
Ooh, uh, uh, uh, yeah

Ooh, it's getting unbelievable

Yeah

Ooh
