## The Logical Song

## **Supertramp**

When I was young

It seemed that life was so wonderful

A miracleOh, it was beautiful, magicalAnd all the birds in the trees

Well, they'd be singing so happily

Oh, joyfully

Oh, playfully watching meBut then they sent me away

To teach me how to be sensible

Logical

Oh, responsible, practicalAnd then they showed me a world

Where I could be so dependable

Oh, clinical

Oh, intellectual, cynical

There are times when all the world's asleep

The questions run too deep

For such a simple man

Won't you please, please tell me what we've learned?

I know it sounds absurd

Please tell me who I amI say, now watch what you say

Or they'll be calling you a radical

A liberal

Oh, fanatical, criminalOh, won't you sign up your name?

We'd like to feel you're acceptable

Respectable

Oh, presentable, a vegetable

Whoa

Take it, take it, yeah

But at night when all the world's asleep

The questions run so deep

For such a simple man

Won't you please ()

Please tell me what we've learned? ()

I know it sounds absurd ()

But please tell me who I am

Who I am

Who I am

Who I am, yeahWoo!

Hey!

'Cause I'm feeling so logical

Hey!

D-d-d-d-d-digital

Yeah, one, two, three, five

Ooh, uh, uh, uh, yeah

## Ooh, it's getting unbelievable Yeah Ooh
