## The Doobie Brothers

Standing on the back porch talking to your sister  
The walls came down and hit me like a Twister  
Been locked up and they've thrown away the key  
Now we've all got a show on the real TV  
Going back, yeah, yeah  
Going back, whoa, whoa  
Going back, yeah, yeah  
Gotta get back, gotta get back  
Going back to the Chateau  
Going back to the Chateau  
Gotta get back

Hanging in the alley on a Saturday night  
Howling at the moon feeling alright  
Talking trash you crazy freak  
Hit him so damn hard he won't get up for a week  
Going back, yeah, yeah  
Going back, whoa, whoa  
Going back, yeah, yeah  
Gotta get back, gotta get back  
Going back to the Chateau  
Going bac to the Chateau  
Gotta get back  
Going back, yeah yeah  
Going back, whoa whoa  
Going back, yeah yeah  
Gotta get back, gotta get back  
Going back to the Chateau  
Going back to the Chateau  
Going back to the Chateau  
Gotta get back
