

In the Misty Moonlight

Dean Martin

In the misty moonlight
By the flickering firelight
Any place is all right
Long as I'm with you In a far away land
On a tropic sea sand
If your hand's in my hand
I won't be blue Way up on a mountain
Way down in a valley
I know I'll be happy
Any place anywhere
I don't care In the misty moonlight
By the flickering firelight
Any place is all right
Long as you are there
In the misty moonlight
By the flickering firelight
Any place is all right
Long as I'm with you
In a far away land
On a tropic sea sand
If your hand's in my hand
I won't be blue Way up on a mountain
Way down in a valley
I know I'll be happy
Any place anywhere
I don't care
In the misty moonlight
By the flickering firelight
Any place is all right
Long as you are there
In the misty moonlight
By the flickering firelight
Any place is all right
Long as I'm with you In the misty moonlight
By the flickering firelight...
