

Overnight Male

George Strait

Let me be your male-man
And I'll always come though
There's no denying'
Come rain or shine
I'll deliver my love to you
I do things by the letter
You can put your stamp on me
Cause there ain't nobody better
For a special delivery

Chorus:

Like the pony express
And the wild wild west
I'll ride hard all night long
And I can saddle up fast
Get ya there first class
Long before the dawn

You know your male's gonna get to you

Come snow, rain, sleet, or hail

Cause I'm a top flight, hold ya tight, get ya there by daylight

Do you right overnight male I know your heart is fragile

So I'll handle it with care

There ain't no doubt

I know love's route

So baby let me take you there

I'll bring you cards and flowers

But I know just what you need

Just give me 24 hours

Satisfaction guaranteed

Chorus You know your male's gonna get to you

Come snow, rain, sleet, or hail

Cause I'm a top flight, hold ya tight, get ya there by daylight

Do ya right overnight male

Yeah I'm a top flight, hold ya tight, get ya there by daylight

Do ya right overnight male
