Stem

Stem Anything that I want you to know, yeah
Anything that I want you to see
See the reason to which way to be, yeah
Anything that I want you to be Damn good thing it isn't a crime
I've got a, a dirty, dirty gun up against my head
Cleanse and purge the ill from the inside
A burning conscience severs the stem
Anything that I want you to know, yeah
Anything that I want you to see
See the reason to which way to be, yeah
Anything that I want you to be Stem
Stem
Stem
Damn good thing it isn't a crime
I've got a, a dirty, dirty gun up against my head
Cleanse and purge the ill from the inside
A burning conscience severs the stem
