

# That Body

## Jeremih

Ooh.  
Jeremih.  
Yea yea yea.  
Ooh.  
Jeremih.  
Yea yea yea. Bring it. Her hips waving the ocean.  
In ways you wouldn't believe.  
She swear that she got that potion.  
Well I hope there's plenty for me.  
Cause I been searching for somebody to cater, to cater.  
Cater to all my needs.  
And you look like your willing to do the favor, the favor.  
So come with me and let me work that body [x4]. AH-OO  
You know just how I like it naughty [x4]. Doo-Doo Doo-Doo  
Yeah we got plenty of Bacardi [x4] and juice and fruit for you.  
A private at the party [x4] for two [x2]. You can get my body all over your body. [x4]  
All over my body girl. I'm feeling like I should tip ya.  
The way your grinding that pole.  
Your hot and fresh out the kitchen.  
Here's a taste of that pot of gold. And make me feel like I'm a go on vacation.  
Cooler than summer breezes.  
Girl get your groove back.  
Better than in Jamaica. Hope you don't mind if I'm behind that body [x4]. AH-OO  
You know just how I like it naughty [x4]. DOO-DOO DOO-DOO  
Yeah we got plenty of Bacardi [x4] and juice and fruit for you.  
A private at the party [x4] for two [x2].  
You can get my body all over your body. [x4]  
All over my body. I love it when you roll.  
And still manage to clasp that,  
Clasp that ass, clasp that.  
Just keep the candles on.  
And baby I can wax that, wax that ass, wax that. Body [x4]. AH-OO  
You know just how I like it naughty [x4]. DOO-DOO DOO-DOO  
Yeah we got plenty of Bacardi [x4] and juice and fruit for you.  
A private at the party [x4] for two [x2]. You can get my body all over your body. [x4]  
All over my body girl.
