

I Will Survive

Me First and The Gimme Gimmes

Did you think I'd lay down and die
Oh no, not I
I will survive
Oh as long as I know how to love
I know I will stay alive
I've got all my life to live
I've got all my love to give
And I'll survive
I will survive (hey-hey)
It took all the strength I had
Not to fall apart
Kept trying hard to mend
The pieces of my broken heart
And I spent oh so many nights
Just feeling sorry for myself
I used to cry
But now I hold my head up high
And you see me
Somebody new
I'm not that chained up little person
Still in love with you
And so you felt like dropping in
And just expect me to be free
And now I'm saving all my loving
For someone who's loving me
Go on now go walk out the door
Just turn around now
'cause you're not welcome anymore
Weren't you the one who tried to break me with goodbye
Did you think I'd crumble
Did you think I'd lay down and die
Oh no, not I
I will survive
Oh as long as I know how to love
I know I will stay alive
I've got all my life to live
I've got all my love to give
And I'll survive
I will survive
