

Night By Night

Chromeo

I know inside of me sooner or later we gon' be free
C'mon girl, don't make a fuss
Let's have a conversation that's not just about us
When we don't know which way to go
... and it doesn't really matter what we do
There's gotta be one good way to know
If all this is worth it we can work it night by night.
She says I'm not romantic
I say she's too dramatic
I tell her while we're at it we can work it night by night
She says I'm not romantic
I say she's too dramatic
I tell her while we're at it we can work it night by night
Night by Night
Night by Night
Night by Night
Night by Night
I know inside of me if we wait a bit longer we'll see what's meant to be
C'mon girl, we can't be apart
A special kind of lovin reaches right through my heart
When we don't know which way to go
... and it doesn't really matter what we do
There's gotta be one good way to know
If all this is worth it we can work it night by night.
She says I'm not romantic
I say she's too dramatic
I tell her while we're at it we can work it night by night
She says I'm not romantic
I say she's too dramatic
I tell her while we're at it we can work it night by night
Night by Night
Night by Night
Night by Night
Night by Night
... Not Romantic
... Too Dramatic
We can work it night by night
... Not Romantic
... Too Dramatic
We can work it night by night
... Not Romantic
... Too Dramatic
We can work it night by night
... Not Romantic
... Too Dramatic
We can work it night by night
... Not Romantic
... Too Dramatic
We can work it night by night
She says I'm not romantic

I say she's too dramatic
I tell her while we're at it we can work it night by night
She says I'm not romantic
I say she's too dramatic
I tell her while we're at it we can work it night by night
