

The Love of God

Gaither Vocal Band

The love of God has been extended
To a fallen race
Through Christ the savior of all men
There's hope in saving grace
The love of God is greater far
Than gold or silver ever could afford
It reaches past the highest star
And covers all the world
It's power is eternal, eternal
It's glory is supernal, supernal
When all this earth shall pass away
There'll always be the love of God
It goes beneath the deepest stain
That sin could ever leave
Redeeming souls to live again
Who will on Christ believe, will believe
Oh, the love of God is greater far
Than gold or silver ever could afford
It reaches past the highest star
And covers all the world
His power is eternal, eternal
His glory is supernal, supernal
When all this earth shall pass away
There'll always be the love Of God, precious love of God
