

# Loving You (with Patrick Wilson)

Barbra Streisand

You have to face the truth You have to let me go I can't You don't understand Loving you  
It's not a choice, it's who i am  
Loving you  
It's not a choice,  
and not much reason to rejoice But it gives me purpose,  
gives me voice to say to the world  
this is why I live  
You are why I live Can't you see it's over  
I don't believe that Loving you is why I do the things I do  
Loving you is not in my control  
But loving you,  
I have a goal for what's left of my life  
I will live and I would die for you Don't say that Then say you don't love me But you know i  
do Loving you is not a choice,  
it's who I am  
Loving you is not a choice,  
and not much reason to rejoice But it gives me purpose,  
gives me voice to say to the world  
this is why I live  
You are why I live  
Loving you is why I do the things I do  
Loving you is not in my control  
But loving you,  
I have a goal for what's left of my life  
(for the rest of my life)  
I will live and I would die for you For you For you I would die for you For you
