

# Caskets (feat. FK1 1st)

## Party Favor & NJOMZA

Every day when I wake up  
I thank god I can take a  
Another moments to feel the  
Sunrise in the morning  
I don't have all the answers  
But I know there's a reason  
All the places I've been  
All the people that I've seen  
No reasons to apologize  
We're all fucked up in someone's eye  
I smoke until my lungs burned  
All of until my heart hurts  
Don't worry 'bout me  
I'll be fine  
I've coasted through most of my life  
Leave it in the past yes  
Bury all the caskets  
Bury all the caskets  
All I know could be made up  
Or my hopes could be too high  
Fight the odds with my bare hands  
See my dreams eyes open  
I don't know where I'm goin  
But I know there's a reason  
All the places I've been  
All the people that I've seen  
No reasons to apologize  
We're all fucked up in someone's eye  
I smoke until my lungs burned  
All of until my heart hurts  
Don't worry 'bout me  
I'll be fine  
I've coasted through most of my life  
Leave it in the past yes  
Bury all the caskets  
Caskets(Yeah-eh)  
Bury all the caskets  
I come and go  
We come and go  
I come and go  
We come and go (go go go)  
No reasons to apologize

We're all fucked up in someone's eye  
I smoke until my lungs burned  
All of until my heart hurts  
Don't worry 'bout me  
I'll be fine  
I've coasted through most of my life  
Leave it in the past yes  
Bury all the caskets  
Na na na na na  
Na na na na na  
Na na na na na  
Na na na na na  
Na na na na na
