

# Tapestry

Moya Brennan & Royal Liverpool Philharmonic Orchestra

Weaving silver and gold  
Destinations crossing overGentle music touching beauty  
Rising in harmony  
Teach us to listen  
Calling for wisdom  
Gracing a tapestryWeaving silver and gold  
Destinations crossing over  
Spinning a web of ribbons and color  
Colors of history  
Stories together  
Laughing and dancing  
Gracing a tapestryWeaving silver and gold  
Destinations crossing over  
Treasure secrets, stealing moments  
Phrases of poetry  
Setting in motion  
Loving forever  
Gracing a tapestryWeaving silver and gold  
Weaving silver and gold
