

# This Time of Year

## Better Than Ezra

Well there's a feeling in the air  
Just like a Friday afternoon  
Yeah you can go there if you want  
Though it fades to soon So go on  
Let it be  
If there's a feeling coming over me  
Seems like it's always understood  
This time of year Well I know there's a reason to change  
Well I know there's a time for us  
You think about the good times, and you live with all the bad  
You can feel it in the air  
Feeling right this time of year  
Well there's a football in the air  
Across a leaf blown field  
Yeah and there's your first car on the road  
And the girl you'd steal So go on  
With yourself  
It there's a feeling that there's something else  
Seems like it's always understood  
This time of year Well I know there's a reason to change  
BACKUP: This time of year  
Well I know there's a time for us  
BACKUP: This time of year  
You think about the good times, but you live with all the bad  
BACKUP: This time of year  
You can feel it in the air  
Feeling right this time of year  
Well there's a feeling in the air  
Just like a Friday afternoon  
Yeah you can go there if you want  
Though it fades too soon So go on  
Let it be  
If there's a feeling coming over me  
Seems like it's always understood  
This time of year  
Well I know there's a reason to change  
BACKUP: This time of year  
Yeah and I know there's a time for us  
BACKUP: This time of year  
You think about the good times, and you live with all the bad  
BACKUP: This time of year  
You can feel it in the air

BACKUP: Feel it in the air  
Yeah, I can feel it in the air  
BACKUP: Well, I can feel it in the air  
Yeah, you can feel it in the air  
Feeling right this time of year
