

# When We Die

## Bowling for Soup

Every night, I invite  
You to play I'll be your crutch  
We'll secure, the invade  
Then ill level 2 gank for first blood  
And I'll let you have the 2nd buff (blue buff) Giving pings, keep aware  
So you don't get ganked and die  
Follow me, we'll embark  
On a trip to ELO paradise  
And I'm camping your lane every time Oh when we duo queue  
I can count on you  
When we duo queue  
We will never lose  
When we duo queue  
We could do so much more  
Going in, burst 'em down  
I'll initiate the fights  
Carrying every win  
'Cause they're practically a 2v5  
And our rank just keeps on climbing higher and higher I'm setting up for ganks  
Let's get fed off my lane  
The synergy we have is proven in our scores  
We are the strongest force Oh when we duo queue  
I can count on you  
When we duo queue  
We will never lose  
When we duo queue  
We could do so much more  
Oh when we duo queue  
I can count on you  
When we duo queue  
We will never lose  
When we duo queue  
We could do so much more I'm setting up for ganks  
Let's get fed off my lane  
The synergy we have is proven in our scores  
We are the strongest force Oh when we duo queue  
I can count on you  
When we duo queue  
We will never lose  
When we duo queue  
We could do so much more
