## Do It 4 U (feat. D?wn)

## **Machinedrum**

I know that you like this I know that you want it I know when I smoke this I don't know I kept you waitin' By all means, you can get it lately I'm sayin' I know what to do with it I know what you like Imma love you right Imma give you life With me and this weed Shit is wavy Ride the wave Surf this wave with you I do this shit for you Do it, I do it for you Let me give you life Let me give you life Bitch be like I do it for you Let me give you life Come here and let me I do it for you Bitch be like Come here and let me I do it for you I do it for you

I do it for you

I do it for you
I do it for you
I do it for you
I do it for you
I do it for you
I do it for you
I do it for you
I do it for you

I do it for youOh, when the beat drop, let my ass go babe
Babe, the beat, let my ass go
Babe, oh, when the beat drop
Babe, the beat

I do it for you
