

# La La

## Ashlee Simpson

You can dress me up in diamonds  
You can dress me up in dirt  
You can throw me like a line-man  
I like it better when it hurts Oh, I have waited here for you  
I have waited You make me wanna lala in the kitchen, on the floor  
I'll be a french maid when I meet you at the door  
I'm like an alley cat, drink the milk up, I want more  
You make me wanna, you make me wanna scream You can meet me on an aero-plane  
Or in the back of the bus  
You can throw me like a boomerang  
I'll come back and beat you up Oh, I have waited here for you  
Don't, keep me waiting  
You make me wanna lala in the kitchen, on the floor  
I'll be a french maid when I meet you at the door  
I'm like an alley cat, drink the milk up, I want more  
You make me wanna You make me wanna lala in the kitchen, on the floor  
I'll be a french maid when I meet you at the door  
I'm like an alley cat, drink the milk up, I want more  
You make me wanna, you make me wanna scream I feel safe with you  
I can be myself tonight  
It's alright, with you  
'Cause you hold my secrets tight You do  
You do You make me wanna lala, lalala, lalala  
Lalala  
You make me wanna lala, lalala, lalala  
You make me wanna lala in the kitchen, on the floor  
I'll be a french maid when I meet you at the door  
I'm like an alley cat, drink the milk up, I want more  
You make me wanna You make me wanna lala in the kitchen, on the floor  
I'll be a french maid when I meet you at the door  
I'm like an alley cat, drink the milk up, I want more  
You make me wanna, you make me wanna scream You make me wanna lala, lalala, lalala  
Lalala, lala, lalala  
You make me wanna lala, lalala, lalala  
Lalala, lala, lalala You make me wanna lala, lalala, lalala  
Lalala, lala, lalala  
You make me wanna lala, lalala, lalala  
Lalala, lala, lalala You make me wanna lala, lalala, lalala  
Lalala, lala, lalala  
You make me wanna lala, lalala, lalala  
Lalala, lala, lalala
