

# Flight 22

## Kali Uchis

There's several exits on this aircraft  
In the event of an emergency  
At this time, please fasten your seat belts  
As we are preparing for take off  
And welcome aboard  
Flight 22 Been a lot of places, seen a lot of faces, yeah  
But nothing like you (you, you, you)  
Oh, I met you at the airport  
Flight 22 (two, two, two)  
I want you to have it all (ah, ah, ah, ah)  
Oh, I want you to have it all (ah, ah, ah, ah)  
I wonder if you really know  
What I do for you to have it  
I've had it  
With the waiting and hesitating  
So pack all your bags  
Don't gotta ask  
Where we're goin' to  
Don't wanna be  
Anywhere if it ain't with you  
Nowhere in this world can compete  
Boy that's the true  
To wherever we're goin' on Flight 22 I know you've been patient  
That's an understatement, yeah  
But what can I do (do, oh, oh)  
Oh, I make myself look silly  
Hoping that you hear me  
All my girls say that I'm acting a fool  
Now touch me, kiss me, catch me, or miss me  
Give it, take it, you can't mistake this  
Let's get away from it all  
So pack all your bags  
Don't gotta ask  
Where we're goin' to  
Don't wanna be  
Anywhere if it ain't with you  
Nowhere in this world can compete  
Boy that's the true  
To wherever we're goin' on Flight 22 (Take me on a way)  
(Flight 22)  
(Baby, oh oh)  
And baby we're not gonna make it

At least I'm going down with you  
My baggage might just be too full  
On Flight 22  
Flight 22, Flight 22
