

Future / Past

[John Mark McMillan](#)

You hold the reins on the sun and the moon
Like horses driven by kings
You cover the mountains, the valleys below
With the breadth of your mighty wings
All treasure of wisdom and things to be known
Are hidden inside your hand
And in this fortunate turn of events
You ask me to be your friend
You ask me to be your friend
And you,
You are my first
You are my last
You are my future and my past
The constellations are swimming inside
The breadth of your desire
Where could I run, where could I hide
From your heart's jealous fire
All treasures of wisdom and things to be known
Are hidden inside your hands
And in this fortunate turn of events
You ask me to be your friend
You ask me to be your friend
And you,
You are my first
You are my last
You are my future and my past
You are the beginning and the end
And you,
You are my first
You are my last
You are my future and my past
