

Fragile Heart

Yolanda Adams

I remember the first time, you laughed with me
And I remember the promises, you would never leave my side
Now I'm standing with the news of a tragedy
Standing here with a fragile heart, mmm
You see I never shared a tear
I stayed strong for them, oh yes I did
When everybody disappears
It's was only you that kept me strong
And I can't imagine going on
Without you in my life, going on with a fragile heart
Chorus: When I think about, think about
life

Lord I think of you
I forget about everything else, there's only you lord and I
And I can't think about ever giving up
Can't give up a fight (no.no.)
The only thing that matters Lord, is you
I ain't got no time to pretend
That I'm not missing you, oh no no no no
I know you're in good hands
The same hands that hold my heart
And I'll cherish every moment we spent
As a gift from God above
For he takes care of all the fragile hearts
Chorus: Cuz when I think about, think about life

Lord I think of you, and I
Forget about everything else
There's only you lord and I
I can't think about, ever, ever giving up
(a fight)

Lord the only thing that matters, when I'm going through
Is giving my fragile heart right back to you
Bridge: You see my fragile heart's been broken
And you're the only one
Who can put it all together again

So I'm trusting you Lord to see me through
Instrumental/Chorus: There's only you and I
I can't think about ever giving
I can't give up(up a fight)
The only thing that matters
When I'm going through
Is giving my fragile heart right back to you
When I think about my life
I, I, I, I forget about everything else
Only you and I, and I can't think about ever giving up

Can't give up, can't give up(fades)
