

# Fragile Heart

Yolanda Adams

I remember the first time, you laughed with me  
And I remember the promises, you would never leave my side  
Now I'm standing with the news of a tragedy  
Standing here with a fragile heart, mmm  
You see I never shared a tear  
I stayed strong for them, oh yes I did  
When everybody disappears  
It's was only you that kept me strong  
And I can't imagine going on  
Without you in my life, going on with a fragile heart  
Chorus: When I think about, think about  
life

Lord I think of you  
I forget about everything else, there's only you lord and I  
And I can't think about ever giving up  
Can't give up a fight (no.no.)  
The only thing that matters Lord, is you  
I ain't got no time to pretend  
That I'm not missing you, oh no no no no  
I know you're in good hands  
The same hands that hold my heart  
And I'll cherish every moment we spent  
As a gift from God above

For he takes care of all the fragile hearts  
Chorus: Cuz when I think about, think about life  
Lord I think of you, and I  
Forget about everything else  
There's only you lord and I  
I can't think about, ever, ever giving up  
(a fight)

Lord the only thing that matters, when I'm going through  
Is giving my fragile heart right back to you  
Bridge: You see my fragile heart's been broken  
And you're the only one  
Who can put it all together again  
So I'm trusting you Lord to see me through  
Instrumental/Chorus: There's only you and I  
I can't think about ever giving  
I can't give up(up a fight)  
The only thing that matters  
When I'm going through  
Is giving my fragile heart right back to you  
When I think about my life  
I, I, I, I forget about everything else  
Only you and I, and I can't think about ever giving up

Can't give up, can't give up(fades)
