

This Town Ain't a Town

[Dallas Smith](#)

Ever since you said good-bye
Nothin' round here looks the same
Every road ya go down don't feel right
'Cuz I can't see your pretty face
Girl it might as well roll these side walks up
Shut the dive bars down
Let the air out of the tires of these trucks
'Cuz there ain't no music, cruisin' around without you baby
Might as well let that river run dry
'Cuz you ain't takin a dip
And I ain't standin' there tryna steal one more kiss
This town ain't a town without you hangin' around
I ain't got nowhere to go
And I ain't got no place to be
No party any other boy can throw
Is gonna bring you back to me
Girl it might as well roll these side walks up
Shut the dive bars down
Let the air out of the tires of these trucks
'Cuz there ain't no music, cruisin' around without you baby
Might as well let that river run dry
'Cuz you ain't takin a dip
And I ain't standin' there tryna steal one more kiss
This town ain't a town without ya hangin' around
Might as well plough the grass from the
football fields
Shoot a hole in the moonshine steel
All I got is time to kill
Here without you
Remember when I loved this place
Stayed around here just in case
You decided to come back, but girl if you don't come back
Girl it might as well roll these side walks up
Shut the dive bars down
Let the air out of the tires of these trucks
'Cuz there ain't no music, cruisin' around without you baby
Might as well let that river run dry
'Cuz you ain't takin a dip
And I ain't standin' there tryna steal one more kiss
This town ain't a town without you hangin' around
Without ya hangin around
Without ya hangin around
Without ya hangin around
Yeah this town ain't a town
