

Wraith

Peace

Close your eyes and don't let the hearty boys
Such a waste, cut your silky nose
Ooh-ooh, I don't wanna see you
Ooh-ooh, I don't wanna see you You could be my ice age sugar
You lay me down, you make me shiver
Blow me like a floating feather
A movie doll, movie doll, movie doll forever
It's no surprise, she's in spiky jagged clothes
She's such a wraith, a lady of the sword
Ooh-ooh, I don't wanna see you
Ooh-ooh, I don't wanna see you Ooh-ooh, I don't wanna see you
I don't wanna need you You could be my ice age sugar
You lay me down, you make me shiver
Blow me like a floating feather
A movie doll, movie doll, movie doll
You could be my ice age sugar
You lay me down, you make me shiver
Blow me like a floating feather
A movie doll, movie doll, movie doll forever
