

I Got You

Train

Hey, did you hear about the one that got away, they say
He looked left, she turned right
Meant to be together but not that night
It's when fate's running late, we tend to make mistakes, we go
'Round and 'round from love to love
It's either way too much or not enough Gimme
Lazy days with nothing better to do
Than singing "Old black water keep on rolling"
While I wait for you
I don't care if it rains, I'll be just fine
I'm leaving the ghosts behind until
I got you
I got you
You're the sun through my window
Warming my skin, oh you
I got you
Hey Then, when one of them was taken
The other one was waiting for the next big thing
To bring them to the gates of heaven
Or maybe just a late night in Vegas
It's true that's what we do when we're going down swinging
Then coming up singing the blues
Wearing out my shoes
Chasing new faces to get to you
Driving home on a summer night
Singing "Old black water keep on rolling"
Till the time is right
I don't care if it rains, I'll be just fine
Sit back, enjoy the ride until I got you
I got you
You're the sun through my window
Warming my skin, oh you
I got you
Like Sonny and Cher
Except I'll be there for you
I got you
Let Old black water bring us together Old black water keep on rolling
Mississippi moon, won't you keep on shining on me
Old black water keep on rolling
Mississippi moon, won't you keep on shining on me
Wanna hear some funky Dixieland
Pretty mama come and take me by the hand

Wanna hear some funky Dixieland
Pretty mama Here she comes
I got you
I got you
You're the sun through my window
Warming my skin, oh you
I got you
Like Sonny and Cher
You know I'll be there for you
I got you
Let Old black water bring us together
You
I got you
I got you
I got you, baby By the hip hip, take me by the hip, pretty mama
Dance with you're daddy all night long
Wanna hear some funky Dixieland
Pretty mama come and take me by the hand
By the hip hip, take me by the hip, pretty mama
Dance with you're daddy all night long
Wanna hear some funky Dixieland
Pretty mama come and take me by the hand
