

# One-Trick Pony (feat. Kronos Quartet)

Nelly Furtado

You say, you're identical to none  
But you're identical to some  
Who wants to be a some?  
Not me I am not a one-trick pony  
I am not a one-trick pony  
I really feel no one can own me  
I really feel nothing can hold me Nobody can control me  
Nobody can conform me  
Nobody can disown me  
Nobody can ignore me  
So slow down  
One-trick pony I am not a one-trick pony  
I am not a one-trick pony  
For you I will not dance  
And for you I will not prance And where I was last  
I'll never be at  
And after that  
I've already passed Slow down  
Get on it girl, get on it girl  
It's got a price tag on it  
And hear this sound  
Get on it girl, get on it girl  
It's got a price tag on it  
One-trick pony  
Yeah, you do it for a price  
I can see it in your eyes  
See that role was never mine  
I don't want to stand in line  
See how that one-trick story goes  
If she weren't on top you'd never know  
Cause a one-tick pony steals the show You're just a pony So back down  
Get on it girl, get on it girl  
It's got a price tag on it  
To the ground  
Get on it girl, get on it girl  
It's got a price tag on it  
And chill out  
Get on it girl, get on it girl Girl, you better shape up  
Girl, you better shape up  
Yeah the ride is so, so, so, so, so fast  
Yeah, you better shape up  
Yeah, just keep your chin up

No half ass... no half ass One-trick pony  
Just ride ride ride  
Just ride ride ride  
Ride ride ride
