You're So Vain

Carly Simon

Son of a gun You walked into the party like you were walking onto a yacht Your hat strategically dipped below one eye Your scarf it was apricot You had one eye in the mirror as you watched yourself gavotte And all the girls dreamed that they'd be your partner they'd be your partner and You're so vain You probably think this song is about youYou're so vain (you're so vain) I bet you think this song is about you Don't you don't you? You had me several years ago when I was still quite naive Well you said that we made such a pretty pair and that you would never leave But you gave away the things you loved And one of them was me I had some dreams they were clouds in my coffee clouds in my coffee and You're so vainYou probably think this song is about you You're so vain (you're so vain)I bet you think this song is about you Don't you don't you don't you? I had some dreams they were clouds in my coffee clouds in my coffee and You're so vain You probably think this song is about youYou're so vain (you're so vain) I bet you think this song is about you Don't you don't you? Well I hear you went up to Saratoga And your horse naturally won Then you flew your lear jet up to Nova Scotia To see the total eclipse of the sun Well you're where you should be all the time And when you're not you're with some underworld spy or the wife of a close friend wife of a close friend and You're so vain You probably think this song is about you You're so vain (so vain) I bet you think this song is about you Don't you don't you don't you? You're so vain You probably think this song is about you You're so vain Probably think this song about you You're so vain Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
