

# Free Me

## Joss Stone

(mmm... Hey! All right now! ooh)  
Ain't I got you on your back foot  
And you know I got you really good  
Cuz there's something deep inside of me  
I've got to be And if you find it hard to follow me  
If I loose you in my jet stream  
Than you only got to raise your eyes  
And see me fly Don't tell me that I won't  
I can  
Don't tell me that I'm not  
I am  
Don't tell me that my master plan  
Ain't coming true (yeah!)  
Don't tell me that I won't  
I will  
Don't tell me how to think  
I feel  
Don't tell me cause I know what's real  
What I can do Something that you don't see every day  
A little girl who found her way  
Through a world that's designed to break  
All of your dreams And if there's one thing I will say to you  
It's that there is nothing that you can't do  
Cuz it's all about your attitude  
Don't let them get to you  
Don't tell me that I won't  
I can  
Don't tell me that I'm not  
I am  
Don't tell me that my master plan  
Ain't coming true Don't tell me that I won't  
I will  
Don't tell me how to think  
I feel  
Don't tell me cause I know what's real  
What I can do (Oh yeah! Yeah! ooh ooh (giggle) mmm mmm mmm mmm mmm mmm Hey!  
ooh yeah!) And we are singing in our own voice  
We can make the choice to be free (to be free now!) And we are singing it our own voice  
We can make the choice to be free (to be free now!) Music hey L.U.V. I love it (yeah hey eh  
yeah!)  
Music, now, now, now eh L.U.V. baby I love it (eh) yes I do now Don't tell me that I won't  
I can

Don't tell me that I'm not  
I am  
Don't tell me that my master plan  
Ain't coming true  
Don't tell me that I won't  
I will  
Don't tell me how to think  
I fell  
Don't tell me cause I know what's real  
What I can doFree me (EMI) (x15)
