Open Up Your Mind And Let Some Thought Inside Open Up Your Mind As They All
Survey 4 Out Of 5 And They All Survey 4 Out Of 5 And They All Survey Open Up
Your Mind And Let Some Thought Inside Open Up Your Mind As They All Survey
And In This Time Of Free Thought It'd Be A Shame To Let It Rot Open Up Your
Mind As They All Survey When You're All Alone You'll Never Wanna Know Open Up
Your Mind As They All Survey 4 Out Of 5 And They All Survey You Gotta Let
Some Thought Inside As They All Survey Caught Between The Parallels Of Life
And Death And Compromises Fill The Hours With New Vices Voices Screaming Time
Is Numb Single File Come And Follow Choosing Futures From Brochures Changing
Channels No Opinion Losing Track Which Way Is Up Use Your Head For What It's
There For Though Not One In The Same Receptive Minds Co-operate Do Not
Dissect The Human Race Make One United Higher Plain And In This Time Of Free
Thought It'd Be A Shame To Let It Rot Open Up Your Mind And Let Some Thought
Inside Use Your Head, For What It's There For
