

Capsize

FRENSHIP & Emily Warren

Hey ey, ey, ey, ey, yeah
Hey, yeah, hey, yeah, eyHey ey, ey, ey, ey, yeah
Hey, yeah, hey, yeah, ey
Up at night i'm awake cause it haunts me
That I never got to say what I wanted
Oh, my God, oh, my God
I'm not the same as I was with youI would jump out my skin just to get you
Oh, my God, oh, my God
How could you have ever know
If I never let it show?
Now I just want to know are you?
I'm fine
Drop tears in the morning
Give in to the lonely
Here it comes with no warning
Capsize
I'm first in the waterToo close to the bottom
I'm right back where I startedSaid, I'm fine
Hey ey, ey, ey, ey, yeah
Hey yeah, hey yeah, ey
Hey ey, ey, ey, ey, yeah yeah
hey yeah, hey yeah, ey
Your silhouette is burned in my memory
Rubble left from the moment that you left me
Oh, my God, oh, my God
And three words have never come easy'Cause you're more than they ever could be
Oh, my God, oh, my God
How could you have ever know
If I never let it show
Now I just want to know are you?
I'm fine
Drop tears in the morning
Give in to the lonelyHere it comes with no warning
CapsizeI'm first in the water
Too close to the bottom
I'm right back where I started
Said, I'm fine
Hey ey, ey, ey, ey, yeah
Hey yeah, hey yeah, ey
Hey ey, ey, ey, ey, yeah yeah
hey yeah, hey yeah, ey
I'm swimming up against the tideOh, my God

I'm swimming, but I'm getting tired
Oh, my God
I'm swimming up against the tide
Oh, my God
I'm swimming, but I'm getting tired
Oh, my God
Ooh oh I'm fine
Drop tears in the morning
Give in to the lonely
Here it comes with no warning
Capsize
I'm first in the water
Too close to the bottom
I'm right back where I started
Said, I'm fine
Hey ey, ey, ey, ey, yeah
Hey yeah, hey yeah, ey
Hey ey, ey, ey, ey, yeah yeah
hey yeah, hey yeah, ey
